

JOURNAL OF FOOT AND ANKLE RESEARCH

www.jfootankleres.com

Editors-in-Chief: Hylton Menz (Australia) and Michael Potter (United Kingdom)

***Journal of Foot and Ankle Research*, the official journal of the Australasian Podiatry Council and the Society of Chiropractors and Podiatrists (UK), encompasses all aspects of policy, organisation, delivery and clinical practice related to the assessment, diagnosis, prevention and management of foot and ankle disorders.**

Journal of Foot and Ankle Research covers a wide range of clinical subject areas, including diabetology, paediatrics, sports medicine, gerontology and geriatrics, foot surgery, physical therapy, dermatology, wound management, radiology, biomechanics and bioengineering, orthotics and prosthetics, as well the broad areas of epidemiology, policy, organisation and delivery of services related to foot and ankle care.

The journal considers the following article types: research articles, reviews, letters to the editor, methodology articles and study protocols. For further details, see www.jfootankleres.com/info/about/.

Reasons for publishing in *Journal of Foot and Ankle Research*:

- All articles published in the journal are open access; universally accessible online without charge.
- High visibility for your work - anyone with Internet access can read your article, free of charge.
- Included in PubMed - making your work easy to find, read and cite.
- Articles are published immediately upon acceptance.
- Authors retain the copyright of their articles.
- Electronic submission and peer-review makes the whole process of publishing your article simple and efficient.
- Publishing online means unlimited space for figures, extensive datasets and video footage.
- Professional formatting meets the standards expected by researchers.
